

Medical certificate regarding the existence of inability to undertake examinations due to illness

Please note: Inability to undertake examinations due to illness exists if the usual personal performance of a student is significantly hampered due to an acute/temporary health impairment. Permanent impairments and examination nerves or stress are not to be considered an inability to undertake examinations due to illness.

Please note that a certificate of incapacity for work ("yellow note") is not sufficient.

First Name, family Name _____

Date of birth _____

is not fit to undertake examinations according to a medical examination from _____
due to an acute/temporary health impairment.
